Office of Federal Transportation Management Program
P.O. Box 942874
Sacramento, CA 94274-0001

ATTN: LIMA HUY

SUBJECT: Administrative Modification # 8 to the 2009 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed please find the documentation in support of Administrative Modification #8 to the Kings County Association of Governments (KCAG) 2009 Federal Transportation Improvement Program (FTIP). The KCAG Executive Director has the authority to approve all administrative modifications. State approval is required; however Federal approval is not.

FTIP Modification #8 amends the following projects in the 2009 FTIP:

- (1) ECREC Lump Sum (CTIPS ID# 216-0000-0129):
Moves project: City of Avenal, San Joaquin Street from Seventh Avenue to Skyline Avenue; Rehabilitate Roadway from FY 08/09 to FY 09/10. Moves \$277,000 ARRA-RSTP and \$15,000 Local (Construction) Revenues and Programming (Total \$292,000) from 08/09 Lump Sum Project (8.26% change).
- (2) Local Streets and Roads 3R Projects Lump Sum (CTIPS ID# 216-0000-0136): Adds \$122,389 Local funds to Revenues and Programming to Existing City of Avenal, San Joaquin Street from Seventh Avenue to Third Avenue; Rehabilitate Roadway" Project in 09/10 Lump Sum Programming (3.62%).

These changes conform to the description of an "Administrative Modification" as outlined in the US DOT Document # S52247: "Revised Federal – Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures" (November 17, 2008). KCAG certifies that this administrative modification consists of exempt projects, is consistent with the 2007 Regional Transportation Plan, that it does not impact the current Air Quality Conformity determination, does not interfere in the timely implementation of any TCM's, and has no projects in common with any other amendment open for public comment or currently being processed.

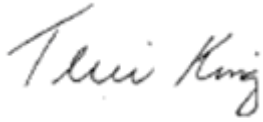

The required documentation is enclosed.
